ADMINISTRATIVE MEMORANDUM NO. 107 (Revised)

June 2001

TO: Deans, Directors, Department Heads
FROM: Mitchel D. Livingston ^{MDL}
RE: Parking Rate Increase 2001-02

As you may be aware, several years ago the University of Cincinnati embarked on a Campus Master Plan to make the campuses more attractive to prospective students. A major part of this plan was to convert the campuses to pedestrian-friendly environments. This resulted in more garages being built in recent years. The costs of construction, operation, and maintenance of these facilities are paid by the revenue generated by Parking Services. No tuition, general fee, or state subsidy monies are used to operate the parking facilities at UC. Consequently, parking rates have been increasing to cover the increased costs of the new garages. Unfortunately, that pattern will be with us for several years before the expenses and revenues achieve a balance.

This memorandum is to inform you that effective July 1, 2001, Parking Services will implement a rate increase. The increase will range from \$1 to \$3 per month. The new rates will affect University facilities on East, West, and CAS campuses. We thank you for your understanding and continued patronage during this transition.

If you have questions, please call Cynthia Lathan at 558-2926 or Lisa Bunkley-Boyd at 556-2288.
